

TEACHER: Showell

WEEK: MARCH 27th- March 31st

Note: All plans subject to daily change!

	Honors Chemistry	Astronomy	
	We will begin the art of stoichiometry STOICHIOMETRY IS CHEMISTRY! We will be testing on this topic.	We will be focusing on light Light is important to science and it is how we learn about objects with out touching them. Bright lights big city used in all sciences.	
M O N D A Y	1. Limiting reactant	Reflection lab	
T U E S D A Y	1. Stoichiometry soda lab	1. Light notes	
	Honors Chemistry	Astronomy	
W E D N E S D A Y	1. Snake lab	1. Light box	
T H U R S D A Y	Stoichiometry review	Star probe	
F R I D A Y	1. Apollo XIII	Light video
